H.E. Mr. Irakli Garibashvili

Prime Minister of Georgia

Your Excellency,

I would like to extend my sincere congratulations on the occasion of the 30th anniversary of the establishment of diplomatic relations between Japan and Georgia.

Sharing basic values with Japan, Georgia is an important partner of our country in developing free and open international order based on the rule of law. Ever since the establishment of diplomatic relations, Japan and Georgia have been promoting people-to-people exchange in wide areas such as political, economic and cultural ties and I am very pleased that our friendly relations are steadily developing.

Japan and Georgia have potential for further development of the relationship. Taking the opportunity of 30th anniversary of the establishment of diplomatic relations, I hope that the bonds between our peoples will become stronger and would like to cooperate with Your Excellency to further deepen the excellent relations between our countries.

I wish Your Excellency your health and every success in your endeavour as well as well-being of your people.
