On July 13, 2016, the Opening Ceremony was held in Kutaisi concerning the Project for Provision of Medical Equipment to Imereti Medicine Development Centre, which was implemented within the framework of “Grant Assistance for Grassroots Human Security Projects” of the Government of Japan. The Ceremony was attended by the Ambassador Extraordinary and Plenipotentiary of Japan to Georgia, Mr. Toshio Kaitani, the Mayor of Kutaisi, Mr. Shota Murgulia, representatives of local authorities and members of related organizations.

The project was implemented in cooperation with Georgia Committee on Relief. The project delivered modern medical laboratory equipment to Imereti Medicine Development Centre to assist its efforts to provide free-of-charge diagnostics and treatment of Hepatitis C to the socially vulnerable population of Western Georgia including Abkhazia. The Japanese grant for this project amounts to 89,992 USD.
